Foursomes and moresomes

My boyfriend took these pictures of me last Christmas. We had a wonderful time and I guess all that good living and being loved-up meant that I was more amenable to being introduced to the pleasures of group sex with strangers.

I was nervous as hell the first time it happened, and I know I wouldn't have even agreed to it in the first place with anyone other than Barry.

I can't remember exactly, but I knew it was very early on in our relationship that he told me about his sex life – he'd

been enjoying group sex since he was 18 years old, and admitted that it wasn't always better than having sex with just one person at a time.

We were going to meet up with some friends of his, Gordon and Katherine, round their house and take it slowly, to see if I liked it or not.

When we got there, Gordon and Katherine lived in a nice semi in a quiet street and were both likeable, attractive people. I took to them instantly.

At first, we sat in their front room and chatted for a while before it went quiet. The silence was only broken after Gordon and Katherine, staring into each other's eyes for a moment, laughed and began to kiss.

Barry sat close beside me and put his arm around me, watching me intently.

Watching them come together, entwining their legs, their passion growing, I found myself becoming aroused. A hot feeling arose in my pussy and started to climb into the

to see that Gordon's hand was already nestled between her legs and his fingers were running a course over her lips through her silk panties.

I opened my own legs and Barry's hand made for my own pussy, cupping me and rubbing his palm against me as he knew I liked.

As his hand delved inside my knickers, I reached for his penis, feeling him hard inside his trousers and unzipping his fly to feel him in my hand.

We played with each other, our kissing growing passionate, Barry's hands roaming my body, taking as many of my clothes off as he could.

By the time I could think of nothing more than having him inside me, Gordon and

“Feeling her breast seemed like the most natural thing to do”

In front of me, Gordon was unbuttoning Katherine's blouse and sliding it over her shoulders, exposing her black

pit of my stomach.

I turned to Barry, who was toying with my hair, and we kissed lightly. His hand stroked my thigh and I looked across

Katherine had stripped naked, and we sitting side by side, softly playing with each other as they watched us.

Barry asked me to lie down

on the floor, facing them, and I we too stripped naked.

When I lay down, Katherine lay down next to me, facing me, and then the two boys pushed a knee up each and pushed themselves inside us.

I watched Katherine's reaction as Gordon entered

her and she reached out and took my hand as they began to fuck us in rhythm.

It seemed the most natural thing to do was pull her hand to me and place it on my breast, and Katherine smiled happily and we kissed.

Her breasts were smaller than mine and they felt sexy

and different in my hands.

When Katherine took my hand and placed it on her pussy, it felt so hot and I could feel myself close to orgasm.

Rubbing her wet clit, its pussy lips so much larger than my own, my fingers found Gordon's cock and I put my palm on Katherine's clit and reached my fingers round his shaft.

All three of us came then, as I lay they getting fucked hard by my boyfriend while feeling another man's cock fuck another woman's pussy.

It was one of the fastest and most earth-shattering orgasms

I have ever had and opened my mind wide.

Since then we have had plenty of foursomes and I have watched Barry fuck women as I'm fucking other men – sometimes the sex isn't great, but most of the time it's incredible.

I've found that having other people watching or participating really adds another dimension to our love making.

Whose wife is it anyway?

We recently went to a swingers party where the girls were separated into one room and the guys in another.

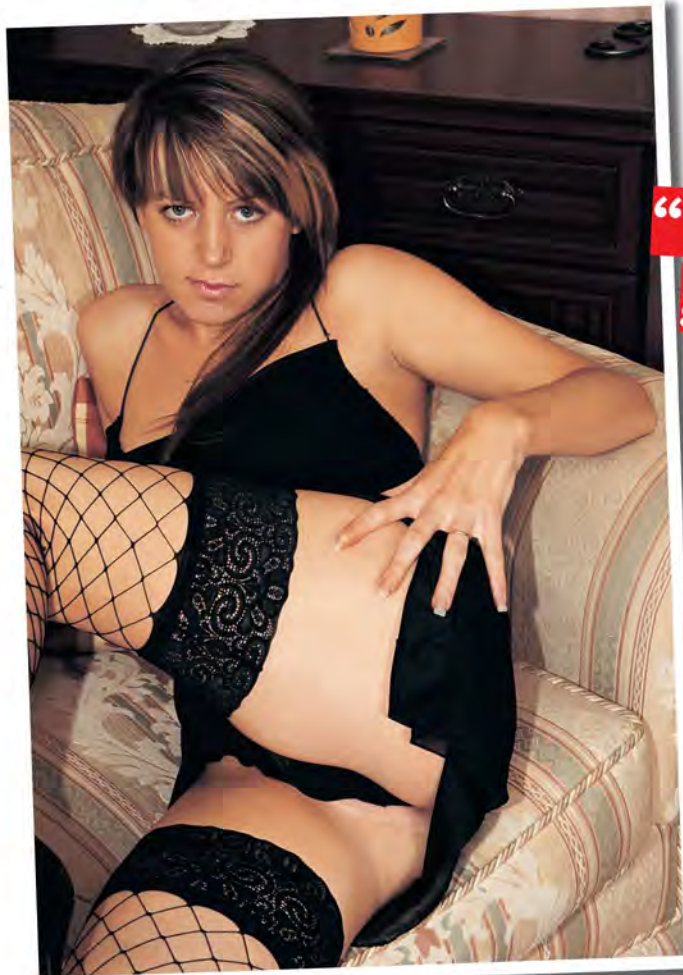

Once alone, we were all meant to take our bras off and then the hostess of the party, Claire, took them all away in a huge silver bowl and told us all to wait for our beau of the night.

In the other room, the men were taking turns to choose a bra, and then one by one they came into our room holding the

bra of choice. Whoever was the bra's owner would then disappear into another part of the house with them!

The first man through the door to be confronted by a room full of women of various ages wearing nothing more than their knickers was my husband, Andrew.

He was beaming when he discovered that the bra he had in his hand was 20-year-old Angela, a gorgeous black girl who was well known for her voracious sexual appetite.

had yet to come in, so I still had no idea who I was going to be fucking that night...

The door creaked open slowly and then in walked Simon, a huge smile across his face, his eyes instantly locking on to my big tits.

I had never fucked Simon before, he was much more into watching than participating, but I had often longed for him to screw me because he had such a big cock and watching him wank it as he watched me or anyone else screwing his

"Watching him screw his girlfriend with that big dick was amazing"

I was happy for him and turned on by the thoughts flashing through my mind of what he'd be getting up to – this was what made it such a sexy game. We were all swingers, sure, but rarely did we ever have sex with someone other than our husbands and wives without them being present.

Poetically, I was the last girl waiting, and even though I had seen every other guy who had come through that door, I hadn't been registering who

girlfriend was amazing.

"At last, Simon," I said, "I'm going to get some of that big dick of yours inside me."

Still smiling, he undid his trousers and let them drop to the floor, pulling his T-shirt over his head. Now we were naked – only our pants hiding our intimate places.

Not that Simon's were hiding much, his big dick could be clearly seen inside his tight white bulging pants.

I stepped over to him and put my hand inside his pants

as he did the same to me. I was already wet – leave a group of semi-naked female swingers in a room and you can be sure they'll have a bit of a play with each other while they wait to get fucked proper!

He felt bigger than he looked in my hands and his dick hardened instantly.

"I've always loved to watch you suck a dick," he said, and I knew what he meant.

I pulled off my panties and knelt down in front of him, peeling the rim of his pants down beneath his balls and sucking hard on his fat cock.

It was so big I couldn't get more than a third of it

I got carried away, yelling at him to let me have it, to fuck me harder and harder – the orgasm that shuddered through my body was incredible.

"Suck it some more," he grunted when my orgasm had subsided and I lay on the floor as Simon knelt over me, that big dick of his glistening in the light in front of my face.

He knelt over my chest and I took his bulbous head into my mouth, playing with his balls as he wanked himself off into my mouth.

When he came, I took it all in my mouth and swallowed the lot, without even letting him see his present to me.

That was the quickest shag I've had as a swinger and one of the most erotic. It seemed so much more illicit to be screwing a guy without my husband present! My husband enjoyed his night too!

Erica, Surrey

comfortably in my mouth, and I had to wank his shaft to make up for it.

I stopped sucking him pretty quickly, not wanting to get covered in his spunk before I'd covered his dick in my own cum juice. Then I got on my hands and knees, the best position to get a big dick in you, and told him to fuck me like he'd seen every other guy here fuck me.

The way his large dick spread my pussy so open was mind-blowing. He began to slam it into me with no holding back, just how I like it.

"I yelled at him to let me have it, to fuck me harder and harder"

What does a blonde have in common with your computer?

You never know how much they mean to you until they go down on you.

A couple were celebrating their golden wedding anniversary. During their party, a fairy appeared and said, "As you've been both loving and loyal for the last 50 years, I will grant you one wish each."

The wife replied, "Thank you so much! As we've been on the headline all our lives and have never been able to afford a holiday, I wish we could go on a world cruise!"

No sooner than the words were out of her mouth, the fairy waved her wand and 'poof!', the tickets appeared in her hand.

The husband had been thinking about his answer long and hard and finally came to a decision. "Well, fairy, I wish that I was married to a beautiful woman 20 years younger than me." The fairy tutted, but waved her wand and 'poof!', he was 90.

A bloke owned a small business and with the recession closing in, it was in financial difficulty and in danger of going bust. Being a religious man, he decided to go to church and pray about it. "Dear God, please help me! If I don't win the lottery this week, I'm going to lose my business!" He was disappointed that weekend when he didn't win.

A few days later, he got a final demand on his car payments, so went back to church. "Dear God, please help me! If I don't win the lottery, I'm going to lose my business and my car!" Again, when the lottery numbers came up that Saturday, he was disappointed that he didn't win.

A few days later, he received a final demand on his mortgage payments, so again, went to church to pray. "Dear God, I need to win the lottery or I'm going to lose everything – my business, my car and my house. Why won't you help me?" Suddenly, the church was filled with a glorious light and the man heard God's voice booming all around him, "Buy a fucking ticket, will you?!"

How can you tell if your husband might be tempted to be unfaithful?

Check and see if he has a penis.

What is the definition of eternity?

The time between the moment you cum and the moment she leaves.

TRUE CONFI

SOME TENANTS GET FUCKED UP THE ARSE. ADAM'S LANDLADY PREFERS TO TAKE IT...

When I first met my new landlady, fantasies of fucking her were already beginning to form in my head! I mentally gave myself a cold shower, gathered myself and said hi.

She introduced herself as Isabella and close up she looked perfect to me. Her body looked firm and pert with small but rounded breasts pushing against her blouse.

I was finding it hard to keep my eyes on the flat as she opened kitchen cupboards and listed the appliances included. As I followed her around, nodding and humming in the right places, she explained that it was her parents' flat but they had returned to live in Greece. As she lived and worked in the city, her parents had left her in charge of the letting and upkeep of the flat.

I found out, subtly of course, that she was single, so I plucked up the courage

and asked, "Well, if you have a night off sometime, maybe I could take you out for a drink and you could show me around the area?" Isabella smiled and replied that she'd love to. I was chuffed (and a little amazed) that this beauty had agreed to go out with me, and even more so when she suggested we go for a 'moving-in drink', when we were done at the property.

Suddenly changing the subject from our 'date', she showed me into the bathroom. It was huge, with one of those big, round jacuzzi baths. "These are fantastic!" Isabella said, motioning to it. "They are so relaxing. The jets massage your body all over!" I smiled and nodded at her, but all I could think about was how I'd love to massage her gorgeous body. She surprised me then, as she took off her jacket, revealing her slim, firm body, removed her shoes, hitched up her skirt, climbed into the bath and sat down. "It's big enough for two as well. Get in and see, Adam!"

Feeling a bit silly, I tentatively took my shoes off and clambered into the tub. Immediately glad I had, I was greeted by the sight of her lace stocking tops and white panties. I felt the familiar stirrings in my trousers, and wasn't surprised for a raging hard-on to follow. Unfortunately, being sat in a bathtub made the boner all too obvious and I tried to cover the embarrassing bulge. She noticed my discomfort and grabbed my hand, saying that it was OK, that she found it quite the compliment. She suddenly leant forward, placed her hand over my cock and pushed her tongue between my teeth.

I was gobsmacked, but not so much that I was going to miss an opportunity like this! I kissed her back passionately, grabbing at her

boobs as she rubbed my dick on the outside of my trousers. The next few minutes were a bit of a blurred frenzy as we snogged away, ripping at each other's clothes and it wasn't long before I had those perfectly rounded tits in my hands and I was rolling her little nipples into bullets.

We were already half undressed, but Isabella was soon pulling at my belt and my flies, struggling to free my rock hard prick. It wasn't long before she was lowering those soft lips over my pole, and as she wanked me with those nimble fingers, I thought I'd died and gone to heaven. She pushed her hair back and looked up at me as she expertly massaged my stiff cock, her long tongue snaking out to lick my tip and shaft. I was in paradise and wanted this to last forever, but I could feel my sap rising so I pulled her up and suggested finding somewhere more comfortable.

She led me to the bedroom and I sat

FESSESSIONS

on the end of the bed. She sat astride me now, her skirt abandoned and her beautiful stockinged thighs clearly in view. She kissed me again and slowly lowered herself, the moist crotch of her knickers rubbing against my straining bell-end. She moved teasingly and I was desperate to get inside her, but not before I enjoyed those breasts and their pointed nipples. I sucked on them for all I was worth, nibbling gently, making her moan aloud and push down on my cock even harder.

Finally, she pulled her pants to one side and guided me to her soaked entrance. I could feel her tight warmth as my length slipped deep into her cunt. We fucked hard, both groaning loudly as she used her pussy muscles to massage my manhood, teasing the cum from my balls. It wasn't long before I felt Isabella's whole body shudder and shake as she reached her first orgasm, squeezing her fanny muscles tightly and gushing hot cum juice over my cock. It was impossible to hold back any longer and I let out a long moan as I shot my load deep inside her.

I was still rock hard and wanted more so I flipped her onto all fours to fuck her doggy style. I positioned myself at her cum-drenched pussy and began to push myself in again. I was surprised when Isabella pulled away and panted, "No! Please fuck my arse!" She reached back between her legs and guided my tool to her beautiful starfish, telling me to go slowly and to take my time. I don't mind admitting that I was still an arse-virgin and a little nervous. I took her advice and slowly pushed against her tight butt-hole. She dropped her head and relaxed her muscles, allowing my bell-end to slowly stretch her ring as I entered her. It felt so tight

as she pushed her arse back onto me that I thought I'd cum on the spot!

"Yes, give it all to me," Isabella shouted. Who was I to disappoint her? She was well lubed up due to her orgasm juices and I found that I could build up a rhythm as I now started diving deeper and deeper into her. I pushed her lovely little arse cheeks apart to try and get even deeper as she

howled with

pleasure. She reached between her legs and massaged my balls before playing with her clit. That was too much for me and I exploded deep inside her tight box.

I was about to pull out when she again reached back and grabbed my balls. "Please stay inside me until you're ready again. I need more!" she pleaded. I was like a teenager on heat and the tightness around my length and the fact that she used her ring muscles to wank me, soon had me hard again.

This time she lay me on the bed and turned her back to me, hovering above me

before sinking her puckered hole down over me. She leant back over me, her hands supporting herself on my chest.

I pumped her arse as she bounced on top of me until she was screaming, as yet another orgasm hit her and she collapsed on top of me. Needless to say, I took the tenancy. She collects weekly!

Kinky couple pay lap service

I want to share the most amazing red-hot experience I've ever had.

It was a Saturday night out in Cambridge and my husband was taking me to a new lap-dancing club.

It was the first time I had ever been to one of these and my sense of anticipation was incredibly intense.

As I walked up the stairs to the bar I was greeted by a gorgeous woman wearing the sexiest red underwear set.

We looked at each other for ages – the chemistry was unbelievable – before my hubby

got drinks and led me to a smart table.

The woman soon came over, introduced herself as Andi and offered to dance for us both. I could feel my pussy getting damp with lust as she took me by the hand and led us to an intimate booth.

She sat me down on a flaming red couch and spread my legs. My husband was with me but she was only dancing for me. I felt her pressing her body up against mine and kissing my pussy through my sheer thong.

She slipped out of her bra to reveal two perfectly round tits and then showed off her

through the door and she grabbed me as soon as I came in. She pulled me into a corner and started kissing

"I licked each of the juicy cocks thrust into my willing face"

delicate hairless pussy.

She ran a finger over her clit and into herself then offered me her finger to taste.

I looked across at my husband who had a massive bulge in his pants and a grin

on his face.

He went to get another drink and Andi said in my ear, "I want you to go through the stage door next to the toilets in ten minutes."

I told my husband I was going to do it and he gave me his blessing. I walked

me passionately, her hands running through my hair.

She strummed my clit with her fingers and sucked on my nipples. I felt three thrusting fingers in my cunt deep and hard until I came all over them. She slowly pulled them out and licked them clean. "My, my, you taste as good as you look," she said.

I made my way back to my patient husband and as I told him what happened his lust was rising.

He dragged me out to the car park, lifted me on to a car bonnet and hitched up my skirt. I tugged at his belt, reached in and grabbed his thick cock and pulled it into my slick hole.

He fucked me hard, getting faster and deeper. I was bursting with orgasm after orgasm. He was close to exploding and pulled out so I dropped to my knees and took his shaft in my mouth.

He exploded with a burst of hot cum. I swallowed it all and sucked on the head to get every last drop of fluid.

We sorted ourselves out and

made our way to the next club across the car park.

Two of my husband's mates were near the bar and we went to say hi. I was still randy as fuck and was thinking

about how buff Mike's chest was. We were excitedly telling them about my adventure when someone knocked me onto Mike and I could feel his cock had been getting hard

“My eyes opened wide with lust for three horny fellas working my body”

listening to me.

I commented on how appetising it felt and his mate Andrew said there is more here too, and put my hand on his hard crotch.

My husband leaned in and said to me with a grin, “Shall we all fuck?”

My eyes opened wide with lust for three horny fellas working my body.

He asked them if they were both up for it and when we left in a cab I started to lick each of the juicy thick cocks thrust into my willing face in turn.

When we got back to Mike's flat we burst through the front door removing our clothes.

I jumped on to the settee and Andrew slipped in under me, inserting his cock in my pussy. I started to ride him as Mike and my husband presented their cocks to my mouth.

I took them in both in the corners of my mouth as I rode Andrew's big fat tool.

We swapped ends so many times so I was always topped-to-tailed.

Mike and Andrew were doing my arse and pussy at the same time, orgasms firing through me at an uncontrollable rate.

My legs were shaking and my breathing deep and fast as all three pulled out and exploded all over my face and chest, covering me with delicious cum.

I mopped most of it into my mouth, savouring the taste and then chilled out to arrange another session in the near future, hot rivers of spunk slowly cooling on my heaving chest and quivering thighs.

I sat there with my eyes closed, thinking about my sexy dancer and three studs, replaying the most sexually exciting 24 hours of my life!

I replay it in my head again and again when I'm left to my own devices!

"One is never enough!" cries 22-year-old Ashaya. "I always take two dildos everywhere. My fave sex play is with two cocks so when I wank I want two poles too! When both my holes are full and I can feel the dildos touching me inside, I quiver and quake and gush sweet pussy juice all over the bed!"

JULIA JONES'S MONTHLY REVIEW OF THE BEST
SEX TOYS AND KINKIEST BEDROOM AIDS

*bijoux petits bonbons tickle
me feather tickler*

Anyone for a bit of slap and tickle? This is very cute and very, very tiny – perfect for tickling your tinkler, but not much else I'm afraid. Not for £8.99 anyway. It's more sturdy than it looks and because it's so small you do have much more control than with a great old feather duster. The feathers are marabou apparently but it won't be giving you marabou stork nightmares – far from it! I had very sexy dreams after my other half worked this over my private parts.

Available from www.lovehoney.co.uk for £8.99

*fetish vinyl
cushion cover*

Now this is more like it! If you are the skivvy in your household who does the laundry you will love these wipeable vinyl cushion covers. It's resistant to the liquids that matter – lube, spunk, wax, chocolate. You can let rip and have fun with out worrying about the clean up. Just don't be a plum and try to stick them in the washing machine – it's a sponge wipe only. Great value too across the whole range.

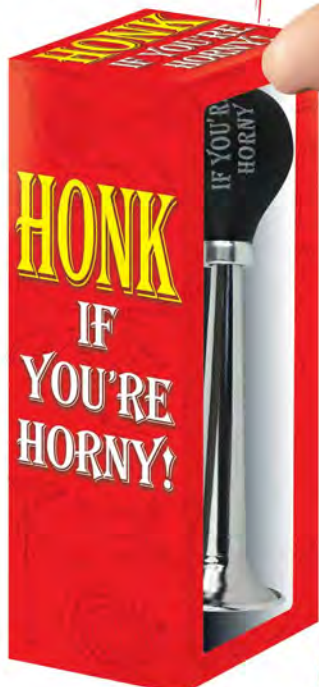

Available from www.lovehoney.co.uk
for £9.99

honk if youre horny

There is no escaping this if your other half has not been putting out recently. The Honk If You're Horny is, well, a horn to honk when you want a bonk. Or in my case a cuppa tea brought up to the bedroom, honk honk! It certainly beats all that eyebrow raising and clumsy hinting I normally have to do. For the price it's hard not to raise a giggle from your other half for the first few times, before it ends up in a place where the sun most definitely does not shine!

Available from www.sextoys.co.uk for £3.95

pure strawberry vibe

Now that spring is finally upon us it's time to shake off the winter blues once and for all. And, what better way to do that than with this fruity little number. Just looking at it makes me feel all summery and want to eat pork pies, fruit salad and big cocks down the park! Made from pure silicone, the teardrop raised 'strawberry seeds' on its shaft give it an extra little kick when it's sliding in and out of your dear reviewer's slick pussy. Measuring seven inches and 100% waterproof, it's a sunny, delightful addition to your toy collection.

Available from www.sextoys.co.uk for £17.95

LUCIANA

Luciana keeps herself loose with a pink buzzing dildo that would make even the most uptight woman pant and snort like a Grand National winner. "It gets me in the mood for a real thing," she confesses. "I ring up my boyfriend while I'm wanking and beg him to come over. He's over in a flash!" We bet the lucky bugger is!

Fancy a thrilla
with Camilla? This hot
and horny harlot likes to
go till the birds start singing
in the morning. "I'm insatiable!"
she gasps. "My favourite position
is doggy-style – that way you can
switch between my bum and fanny.
I'll give you ten minutes to get
hard after each go, but
that's it!"

Caroline & Ben

I knew from the moment my missus agreed to marrying me, my mates would make sure my stag night was a top bash, but I didn't realise quite how much how I'd end up enjoying it. I had actually expected to get so plastered that I wouldn't even remember most of it, but it turned out to be an unforgettable.

Despite promising my fiancée they'd take me nowhere near a stripper, we eventually rolled into the sleaziest strip bar in town. The lads were well tanked-up by this point and it didn't take long for us to get a bit loud and raucous; especially when the champagne started flowing. The strippers quickly realised they were getting the most attention from our table and really played up to it, dancing seductively up to us. My mates made it worth their while, stuffing tenners down their knickers and into their bras as if they were millionaires. At first I thought that was why Caroline kept coming back to strut her stuff for me, but my mate Rob whispered that he'd told her it was my stag

night and she'd said she wanted to ensure I had a good time.

While most of the other girls were fairly plain (apart from their revealing underwear, obviously), Caroline was absolutely drop-dead gorgeous. She had legs up to her armpits, enormous tits and a

beautiful face. She wasn't really like the usual strippers I'd seen before; she looked like she belonged in an American porno, and she certainly didn't fit in at such a sleazy joint. She was a real professional and knew exactly what to do to turn the blokes on, and I couldn't take my eyes off her. The final time she came on stage, she

was dressed in this black leather catsuit that clung to her curves. She pranced around for what seemed like hours, wiggling her cute ass right in front of our faces. We were almost drooling with anticipation when she eventually started peeling off her horny, skin-tight leather. Slowly, she eased it down in time to the dirty music and to my delight, was completely naked underneath. We'd all expected the usual show that involves girls taking about ten minutes to get their clothes off, a quick flash, and then they run off stage. But Caroline had other things in mind. Once butt naked, she swayed her heavy tits in my face then turned around and showed us her peachy arse. I was completely gagging for it when she lay down on her side – not far away from our table – and slowly opened her legs, giving us an eyeful of her shaven pussy. I'd been trying for years to get my woman to shave off her pubes and the sight of a bald cunt made my prick leap to attention. Caroline held her

leg up in the air for a few seconds and we all leaned forward to get a closer look inside her fat pink lips. As she lay there proudly showing off her perfect fanny, she looked me straight in the eye and licked her lips. "You're definitely in there, mate, you lucky bastard!" Rob yelled in my ear. "Anyway, what was that she put in your pocket when she leaned over to show you her tits?" I'd been so busy watching her boobs, I hadn't realised she'd done it, but Caroline had written her mobile phone number on a tenner that I'd stuffed down her knickers earlier. "I don't believe it! Fuck! Dude, you've got to call her, stag night or no stag night, she's fucking gorgeous!" As he went on, Caroline got to her feet, gave me a sly wink and walked off stage. The lads ordered yet another bottle of champagne,

before demanding I phone her on Rob's mobile.

I'd made a secret pact with myself not to be led astray so soon before my wedding, but how the hell could I turn down such an opportunity? Caroline must have been in the dressing room when she answered, because she was really quiet and didn't say much. "Do you want me to help you enjoy your last night of freedom? Give me five minutes, then meet me out the back," she whispered. I had a sudden pang of guilt, but my mates insisted I didn't miss out on the fuck of a lifetime – so much so that Rob virtually frogmarched me to the door, but also to see if she'd really turn up. Sure enough, she was there. Dressed in a sexy, short black dress and smoking a cigarette, she looked like

**"I squeezed my cock
up her snug tunnel"**

she'd stepped out of a movie. "So, you're getting hitched are you? Well, in that case, let's make tonight memorable shall we?" she asked, leading me towards her car. I don't remember saying a word while she drove – probably because I was so stunned that she'd made a move on me. And when we pulled up in the deserted car park, talking wasn't really a priority for either of us. Caroline scrambled over to the passenger seat to sit on my knee. "Did you like my cunt then?" she said in a husky voice, gently rubbing her bum against my stiffening prick. "You should see my little arsehole, it's even tighter." My cock grew solid at that and I honestly thought I'd shoot my load just hearing the dirty bitch describing her arse – especially as she was grinding it up and down my shaft.

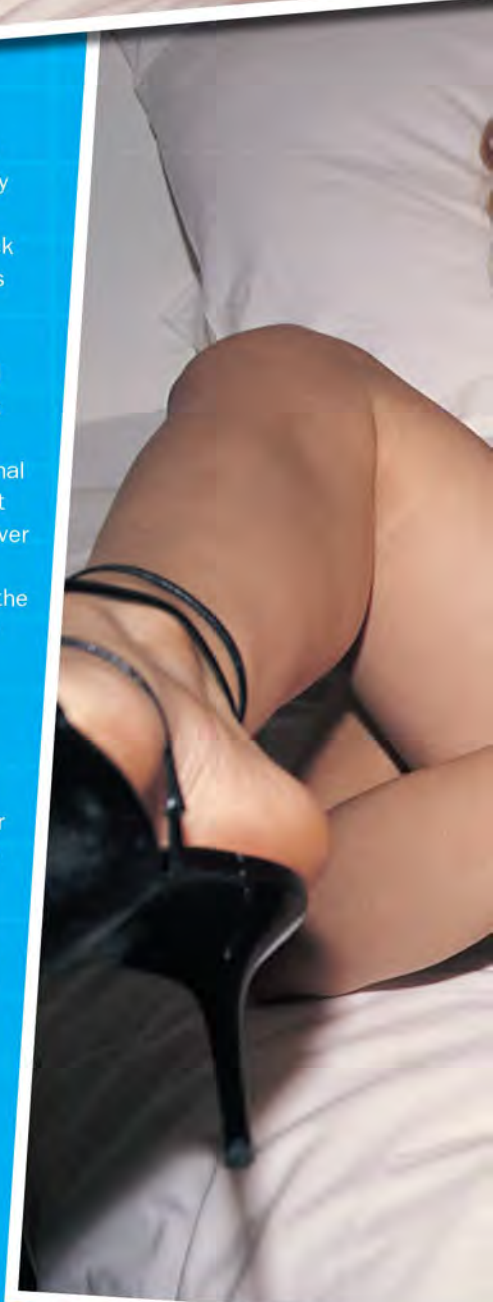

She must have felt how hard I'd become, and opening the door, she led me to the front of the car. She hitched up her dress and revealed that she still wasn't wearing

any pants. I glimpsed her slit glistening with juices, just before she dropped to her knees to unfasten my jeans.

My cock sprung out of my boxer shorts, desperate to be played with, but Caroline didn't need any prompting. Taking the base in her hand, she began gently circling the tip of my throbbing prick with her tongue. She stroked the length of my dick with the very tip of her tongue for a few minutes, almost driving me mad. And when she teased down the foreskin with her plump lips, I couldn't help thrust my meat hard into her mouth. My fiancée hates it when I'm rough with her, but Caroline seemed to love it. I grabbed hold of her head and forced it further and further down over my twitching prick, using her mouth like a fuck hole. Caroline loved that, too, and sucked hard, happily taking the length down her throat. I was more than grateful for such a fantastic blowjob, but just before I was about to fire my spunk into her mouth, Caroline suddenly stopped sucking me off.

I groaned disappointedly, but when she explained why she'd stopped, I changed my mind. "I want you to fuck my arse," she groaned, "it's the only way I can come." I couldn't believe what I was hearing. Not only was I getting a blow job the week before I got married, but I also had my first offer of anal sex. I've tried it on with just about every girlfriend I've ever had, but nobody has ever even remotely entertained the idea. When I've read about it in porn mags, I've been driven mad with curiosity and thought I'd never get the chance to put my cock up a girl's bum. Now I had the horniest woman I'd ever met virtually begging me to penetrate her tight orifice! I grabbed her from behind and pushed her face down over the bonnet of the car.

She opened her legs and thrust her bum up into the air, giving me easy access to both her holes. She looked so fucking dirty, bent over and begging for it. Her inner thighs were

covered in her own natural lube and I used my finger to spread this up towards her bumhole. I massaged it into her tight ring-piece and as I did so, I felt her back passage loosening up, preparing to take the girth of my fat prick. I lowered my mouth to her pink pucker and slipped my tongue inside; Caroline responded by pulling open her bum cheeks to let me get even further inside. But I couldn't bear to wait any longer, I needed to feel my cock being swallowed up by such a tight hole, so I positioned my bell-end against her dripping entrance. Caroline panted in anticipation, "Skewer me on your prick, I want to feel it in my bum," she whimpered.

I rubbed my cock slowly round her anus, then increased the pressure, easing it into her snug tunnel. Once past her ring, my prick popped inside leaving me gasping with pleasure. The realisation that I was fucking a stripper up the arse on my stag night was so intensely horny, that I knew I'd have to concentrate not to come straight away. Caroline, on the other hand, had no such plans to hold out. She bucked back against my dick and, scrabbling away at her clit, she brought herself off in minutes. She screamed unashamedly as she came, her bum muscles tightening even further around my cock. When her orgasm subsided,

she collapsed onto the bonnet and let me continue pounding away at her hole until I too, was ready to shoot my muck. I thrust my meat even harder inside, so deep that I felt my spunk-heavy balls slap against her bum cheeks. Then, just as I felt myself about to cream, I pulled out and wanked myself off over her arse. I couldn't help the deep, satisfied moan that escaped from me as I splashed my spunk all over her bare skin.

I've been married for a month now and have so far resisted going back to the club to see Caroline. It's my birthday next week though, and you can guess where I'm celebrating!

TRUE CONFI

READER TONY'S A SUCKER FOR FEET. AND A FUCKER OF FEET INTO THE BARGAIN...

My girlfriend Poppy is a sexy, petite brunette who knows exactly how to get me worked up. She's not a nympho or anything like that, but she does love sex and she knows just how to do it for me. Although she's tiny, she's got a good pair of tits and a lovely round, firm arse. She has long shapely legs, but what really drives me wild about her is her beautiful feet. I freely confess to being a 'foot man', and love to play with the soft skin and suck the toes of a pretty little female foot.

Of course, Poppy knows this and rarely misses an opportunity to tease me by putting on a little performance to get me aroused. Foot sex has now become my very favourite thing, and as Poppy really gets off on it too, it's become a regular part of our love life. And although it'd always

guaranteed to get me off, the first time we tried it will always be one of my sexiest memories.

I arrived home from a late meeting one evening to find Poppy completely starkers and sitting on some bath towels, on the bed. Her body was still slightly moist from the bath, and she looked beautiful as she patted the last of the damp spots with a towel.

Seeing me staring at her, she smiled naughtily at me and began pouring some moisturiser into her palm and massaging the soft scented cream into her toes and feet, and up her long slender legs. Then, spreading her thighs, she worked some of the cream into her mound and between her legs, a little smile playing around her lips.

Watching her, I became almost crazed with lust, and I quickly stripped off. Taking her in my arms, I kissed her hungrily. Her arms snaked around my shoulders as she lifted one knee high and pressed it against my hard-on. My cock got even stiffer as, leaning right back, one hand gripping the reverse of my neck, she brought her knee up higher until her long toes were toying with my shaft.

It felt amazing and adrenaline surged through my body as I felt her toes curl around my erection. With my heart beating rapidly, I laid her gently back and, fighting to keep control of myself, I began running my hands along the soft curves of her body.

I leaned over her, placing soft kisses on her nipples and clit as I moved downwards until I reached her feet. Then, repositioning myself at the end

of the bed, my hands took one delicate, soft-skinned foot, and I raised it to my lips. Kissing the sole of her foot gently, I watched in delight while Poppy squirmed on her back.

She smiled up at me, her eyes drinking it all in as my tongue explored between her

"CUM OOZED BETWEEN HER DAINY TOES"

delicate toes. Sucking each toe tip gently, I nibbled the soft fleshy pads, being careful to keep my touch gentle and sensual so as not to tickle her. Poppy is a natural-born cock-teaser and, seeing how turned on I'd become, got her well and truly juiced up,

F E S S I O N S

while I worshipped her feet.

She moaned softly as she watched me licking and caressing her foot. I then turned my attention to the other foot and repeated the process, switching between nibbling and licking to increase her pleasure. From my viewpoint at the bottom of the bed, I looked appreciatively up her legs to her beautifully shaved pussy. The delicate lips of her excited little slit started to contract and her swollen pussy lips glistened with her juices as she studied my changing expressions while I sucked on her toes.

My erection was growing and standing proud now, so I took my engorged cock in my fist and slowly began to stroke it. I hadn't been so turned on in a long time and my cock seemed larger than usual. As I ran my inflated prick along the soles of her feet, Poppy began to finger her pussy.

Giggling, she placed both of her feet against my groin. I was so close to cumming, but I wanted the full satisfaction, so I removed her feet and climbed onto the bed. Sitting facing her, I returned her feet to my groin and asked her to wank me off with them.

Gripping my cock with her toes, she started to rub my shaft slowly and methodically with her sexy feet. The sensations, coupled with the spectacle, was so intense I moaned and gasped loudly as my erection throbbed so hard it threatened to break free from her grip.

Poppy maintained control of my dick by clamping her feet firmly against both sides of it, sandwiching the soft skin of my cock between the slightly rough soles of her pretty feet, while continuing to pump up

and down my shaft. As she foot-fucked me, she spread her pussy lips and rubbed hard at her clit, dipping two fingers inside her tight little cunt. My balls ached and I knew I was only seconds from shooting a massive load. Reaching down and taking both of her feet in one hand I tugged myself off over them with abandon, spraying my spunk over the bridges of her feet, the cum sliding downwards and oozing between her dainty toes.

I collapsed back, panting and gasping, in total awe of the sight of Poppy, her feet white and sticky, and covered in my spunk, two fingers deep in her pussy and her thumb rubbing frantically on her clit. She began frigging herself harder, moaning louder, as her pussy lips started twitching and she suddenly screamed out with her own orgasm.

She too collapsed onto her back for a second, but then she was straight back up again, as she took her feet in her hands and gently started rubbing the creamy spunk into her skin, gathering some up in her hands, and gleefully spooning it into her mouth. It was easily the best foot fuck I'm ever likely to have.

Tony, Shrewsbury

JENNI

We think Jenni's fab flaps peeking out from her pussy look particularly appetising. "I'm glad you think so," replies the 23-year-old hairdresser from Barnet (yes, really!). "My pussy being licked while I squirm around on a finger or two always gets me!"

MUCKY MILF MOVIES

Cougar Street

Released by: Digital Playground

Starring: McKenzie Lee, Lisa Ann, Courtney Cummmz, Kayla Carrera

BEST BITS: This film is perfect for those who like their MILFs of a certain age (30+), with not a pigtail in sight. As is the norm with American bongo, this is a glossy affair, one in which the energy and enthusiasm levels are high and there seems to be genuine chemistry between each pairing. The female cast are without-exception gorgeous and full-titted – again, as you'd expect from such a highly respected studio. And we couldn't go without mentioning Leicester-born lovely

McKenzie Lee (pictured), who not only holds her own against the Yanks, but positively glows as she aggressively takes Mick Blue's cock in her every orifice – truly a tissues-at-the-ready moment.

WORST BITS: One of the shortest pornos we've seen in a while, Digital Playground have obviously tried to make the time up by adding the numerous extras to the DVD, but we aren't fooled! Yes, there are cougars galore here, and yes, they are all of the age we'd like our porn MILFs to be (no 20-year-olds here, thank you very much), however, the title of the movie is Cougar Street and as the term 'cougar' means an older woman who seduces younger prey – none of this prey could be accused of being youthful.

DVD FEATURES: The behind-the-scenes clip shows the usual stuff – the stars in make-up, interviews and candid off-camera japes – and lasts over eight minutes, giving you enough time to get your breath (and stalk-on) back.

The MILF Café

Released by: Private Movies

Starring: Mya Diamond, Mandy Bright, Kristi Lust, Ars Amandi, Joanna Roman, Kathy Sweet, Sara Simon.

BEST BITS: Although a few of the babes in this title are arguably un-MILF-like (Kristi Lust for one), you can't knock a porno that stars Hungarian hottie Mya Diamond. The MILF Café shows Private doing what they do best – sexy European babes knobbing nondescript European hunks like their lives depend on it. With two foursomes, two threesomes and two straight boy-girl scenes, all containing plenty of sloppy blowies, anal and pussy-sex, practically every combination is catered for. The group scenarios also all feature DPs, with a creampie or two thrown in for good measure!

WORST BITS: Half the girls were borderline MILFs and the rest were just too young for the genre – a couple of 35+ honeys were needed.

DVD FEATURES: As well as numerous trailers for other Private releases, there is also a bonus scene, featuring Mandy Bright, Frank Gun, Lily Love and Leslie Taylor. Just as wank-worthy as the main feature, this added extra was a very welcome surprise!

OOOAAAR!

Is Your Mother Home?

Released by: Zero Tolerance

Starring: Taylor Wane, CeCe Stone, Julia Ann, Alexandra Silk, Helly Mae Hellfire, Skylar Price

BEST BITS: Five scenes of sizzling 'mature' sex and a cast to rub yourself raw to, *Is Your Mother Home?* brings you everything you want in a MILF movie – for a start, the MILFs are actually MILFs! Although every individual scene is red hot, Alexandra Silk, a bespectacled brunette, deserves a special mention for her enthusiastic anal performance, but Zero Tolerance have wisely left the best till last. The finale sees XXX legends Taylor Wane and Julia Ann get their fill of man-meat, literally fucking and sucking the seed from a 'poor' young stud. Our hearts bleed!

WORST BITS: Having to rack my brain for a minus point, my only complaint is that it could have been a few hours longer...

DVD FEATURES: Not many: an extensive photo gallery and a good chapter menu page. Who are we kidding? We expected more, Zero Tolerance!

Cougars

Released by: Pumpkin Media

Starring: Tanya Cox, Tia Layne, Katie Raymond, Lala, Emma

BEST BITS: The first British offering on our list, *Cougars* has all the hallmarks of being a good, old-fashioned grotty porno. MILF of the moment Tanya Tate easily steals this movie – with her perfectly-enhanced boobs and legs up to her armpits, she's the older women we all dreamt about in our testosterone-fuelled teenage years and I couldn't help feeling a bit jealous that the starring lad had his young knob polished by such a pro.

WORST BITS: Maybe we've been spoiled, but we do like a bit of anal and you won't find one bum-fucking second here.

DVD FEATURES: A few measly trailers – disappointing.
